Sir:

Applicant, Roger P. Jackson, owner of the entire right, title and interest in and to the above-identified application for Letters Patent in the United States, hereby disclaims the terminal part of the term of any patent granted on the above-identified application that would extend beyond the expiration date of Patent No. 6,926,737, issued August 9, 2005, from application Serial No. 10/116,882, filed April 5, 2002 and any patent to issue from application Serial No. 10/666,074, filed September 18, 2003, and hereby agrees that any patent so granted on the above-identified application Serial No. 10/666,589 shall

be enforceable only for and during such period that the legal title to a patent to issue from this application shall be the same as the legal title to said United States Patent No.

6,926,737 or a patent to issue from Serial No. 10/116,882, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors and assigns.

Small Entity Status has previously been established and a check in the amount of \$65.00 is attached to cover the fee required under 37 C.F.R. 1.20(d) and 1.321(b). Please charge any additional fee to account No. 50-1253.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully Submitted,

Roger P. Jackson
